An Overview of February's Rides

Happy Camp Ride (2/7)

We had eleven riders and whether was great. We took a detour and found Matte Blaylock Earp's grave site outside Superior. She was Wyatt Earp's wife that he left in Tombstone after the gun fight. She moved to Superior and died shortly after. Come join us on our future rides and explore Arizona's history.

Ladies Ride (2/14)

The Lady's ride was also fun with great weather. There were 13 lady's who all enjoyed themselves very much as you can see from the pics.
